

Alaska Division of Vocational Rehabilitation Coronavirus Screening for Visitors

You cannot stay if you have a fever of 100.4 or higher.

To protect everyone, our staff will do a temperature screening for visitors upon entering.

Name: _____ Date: _____ Temperature: _____

You are also required to complete the following screening questionnaire:

1. Have you traveled outside of Alaska or the U.S. in the past 30 days? YES No
If yes, where? _____
2. Have you traveled to a U.S. City/State with reported cases of Coronavirus in the past 30 days? (listed at [Alaska Health and Social Services COVID-19 Update](#))? YES No
If yes, where? _____
3. Have you been in personal contact with a person infected with Coronavirus or who has traveled to an area with widespread and ongoing transmission of Coronavirus in the past 30 days? YES No
4. Have you had the following symptoms in the last few days:
Respiratory symptoms:
higher temperature YES No
cough YES No
shortness of breath YES No
difficulty breathing YES No

Please place this form to the “screening” tray and wear a facemask during your visit.
Thank you for your cooperation. Stay healthy and safe.
